## P. B. AIRFORCE BAND - QUEENS - EXHIBITS - CARNIVAL MAKE FAIR A SUCCESS

### South Bay School Awarded Trophy

Outstanding exhibitions of arts and handicraft were displayed by schools of this area including South Bay Elementary, Lake Harbor, Belle Glade, and Osceola.

South Bay Elementary was awarded the Everglades Fair Trophy with the first and second grade winning blue ribbons on crayon drawings and the 14th grade a blue ribbon of the drawing of floor plan of the South Bay School. Red ribbons were awarded 8th grade on scribble painting and 10th grade on the drawing of a floor plan of the South Bay School. Red ribbons were awarded 8th grade on scribble painting and 10th grade on the drawing of a floor plan of the South Bay School.

Clade Schools won 2nd prize with displays winning 4 blue ribbons, 4 red ribbons and 3 honorable mention. Some of the outstanding exhibits were the "cattle squares" by John Schlechter; the tables and lamp, posters, Elementary art work, Booklets on Florida, display of shells and the castle by Mrs. Stark's class.

Lake Harbor was awarded third prize and received red, white and yellow ribbons on 13 health booklets, manuscripts and story pictures in crayon and a very good display of shells and butterflies.

Osceola won fourth prize with a very neat and orderly arrangement of booklets winning ribbons, original stories, 2nd grade; wedding picture, 2nd grade and 6th grade, blue ribbons on drawings. The Indian Camp by third grade was very good.

The lovely water colors by Patricia Anderson and Betty Pennington won blue ribbons. They are pupils of Mrs. Clarence Tiller.

### EASTER SUNRISE SERVICE SET AT MEMORIAL FIELD

Easter Sunrise Services for the public will be held at Memorial Field under the auspices of the Ministerial Assn. Rev. Robert Ford will preside at the service; Rev. U. W. Malcolm, pastor of the First Baptist Church will give meditation; Rev. E. L. Holladay, pastor of the Methodist church will read the Scripture; Father John C. Petrie, of St. John's the Apostle, the prayer; Rev. G. B. Prince, of the Benedictine, special music will be under the direction of Mrs. Dorothy Ingram.

### BRANCH LINCOLN AUTO DEALERSHIP OPENS HERE

According to Don Seals, local Manager, the southeast corner of South Main and the Canal, known as the Paul Johns corner, has been leased for a branch dealership of Holman Lincoln Mercury Co., handling new and used cars.

### NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

granted a home leave before going overseas. Pvt. Hendry transferred from the Airborne Division, Camp Benning, Georgia, where he received his basic training. Before entering service last September he was employed three years with Simmons & Weeks in drag line work. He is a brother of Mrs. W. C. Lanier, South Bay.

Newport, R. I. (FITZ) The Navy's Officer Candidate School started approximately 700 young Reserve Officers off on their Naval careers April 2nd after graduation ceremonies held at the U. S. Naval Base here. Included among the newly commissioned Ensigns of the Line was Lee J. Lloyd, son of Nash D. Lloyd of 234 N. W. 8th St., Belle Glade.

### RIBBON WINNERS AT EVERGLADES FAIR

Blue ribbon winner in their own division were: Mattie E. Eikes, special award ribbon and "welfare" award ribbon, Experiment Station, Belle Glade Motors, PBAF Exhibit, Concrete Products, Wedgworth, Inc., Glades Machine Shop, Mosham Apiaries, Creech Flower Shop, Sinclair Distributors, and Home Hardware.

Red ribbon winners were: Lake Shore Radio, Fish and Game Display, United States Sugar Co., Pure Oil Distributors.

White ribbon awarded to Southeastern Bottled Gas Co.

### Two-A-Week Sale Begins Wednesday At Local Market

Beginning next Wednesday, April 14th the twice-a-week sale program will be reinstated here, according to Manager Gers. Young.

(1) There is a continuing demand for slaughter and other cattle.

(2) Within a radius of 25 miles from the Market, there are sufficient cattle to justify two sales each week.

(3) Occasionally, cattle are brought to the Market on Monday for Friday kill. With both Monday and a Wednesday market, slaughter buyers can be assured of cattle for killing any day in the week.

Sale of Monday, April 5, 1954: 760 cattle, \$115.84; with 44 heifers, 10 cows, 8 bulls, 2 steers, 45 calves, 21 yearlings, 73% to slaughter.

SLAUGHTER: Steers, 14.00-14.25; Hides, 1.10-1.15; Bulls, 12.00-12.25; Cows, 12.00-12.25; Steers, 14.00-14.25; Hides, 1.10-1.15; Bulls, 12.00-12.25; Cows, 12.00-12.25; Steers, 14.00-14.25; Hides, 1.10-1.15; Bulls, 12.00-12.25; Cows, 12.00-12.25.

### Osceola PTA Elect Mrs. Atkinson, Pres

Mrs. Evelyn Atkinson was elected president of the Osceola PTA at the regular meeting Tuesday night. Other officers were: vice pres., Mrs. Louis Funk; sec-treas., Mrs. Quanta Breaden.

The room count was won by the 4th grade. Mrs. McDonald reported that school projector had been ordered by Grant Averill and will be purchased by the PTA. The PTA group will be held in the hall at the Osceola PTA and Palm Beach County Assn. Announcement was made that a PTA study group would be held in Lake Harbor April 13. It was voted to have a pot luck supper at 6 pm on Tuesday, May 11. Committee in charge will be: Mrs. Jeanette Sheffield, Mrs. Letha Tankley, Mrs. Dorothy Wallace, Mrs. Viola Pearson, Mrs. Lulu Jackson and Mrs. Quanta Breaden.

### NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

granted a home leave before going overseas. Pvt. Hendry transferred from the Airborne Division, Camp Benning, Georgia, where he received his basic training. Before entering service last September he was employed three years with Simmons & Weeks in drag line work. He is a brother of Mrs. W. C. Lanier, South Bay.

Newport, R. I. (FITZ) The Navy's Officer Candidate School started approximately 700 young Reserve Officers off on their Naval careers April 2nd after graduation ceremonies held at the U. S. Naval Base here. Included among the newly commissioned Ensigns of the Line was Lee J. Lloyd, son of Nash D. Lloyd of 234 N. W. 8th St., Belle Glade.

### Dr. Jameson Tells Lines Of Farmers Troubles Abroad

Recalling his visits to many foreign countries on invited trips of counsel and assistance in vegetable growing and marketing, Dr. F. S. Jameson, horticulturist of the University of Florida vividly explained many advantages of the American farmer over his brother in faraway lands.

"In many countries," says Dr. Jameson, "the farmers produce have prices fixed, without any crop reports, or marketing assistance given the American farmer."

Dr. Jameson showed moving pictures of the various countries visited and gave a running commentary of the pictures.

### Pahokee Women Injured In Wreck

One wreck, though apparently not serious, has resulted from the spring rains which have been in the community Thursday.

Mrs. Louise Johnson and Miss Ruth Prince of Pahokee were seriously injured when a truck skidded into them at Vinegar Bend about noon Thursday.

A car became stalled on the bend and the car driven by Mrs. Johnson stopped behind it. A truck coming from the opposite direction confused an onlooker who tried to stop the car, resulting in Mrs. Johnson's injury.

One truck was loaded with field workers, but none were injured, according to Mrs. P. J. Pytkman Bertrand who investigated the wreck.

### Local Elks Meet, Strut, Eat And Plan Year's Work

Clyde Clayton was formally inducted into the position of Exalted Ruler of the local Elks Monday night along with junior elected officers and assistants.

"Grass" from both the State and National level filled the chairs and executed the very formal ritual in the name of the Grand Lodge of the State.

Bill Wall, incumbent Grand Continued on Page Two

### Mind Your P.Q. Instead Of Your P's And Q's, Goodwin Tells Rotaryans

A story-teller, a wit, an entertaining speaker with a fund of knowledge in his field of sales management, Dr. Frank Goodwin drove home to Rotaryans and Rotarians gems for serious thought profusely interspersed with gales of laughter, and subtle inferences of risk to those of that mind, Friday night at the Clevelton Inn.

"My mother, and most likely your mother frequently admon-

### Mayor Officially Opens Everglades Fair

The untitled attired schoolmaster, Mayor Harold Bahls, Jr. just before cutting the cake at the Everglades Fair opening ceremony. (Left to right) Mayor Bahls, Jr., Mrs. Bahls, Mrs. J. H. Jones, and Mayor Bahls, Jr.

### Legion Auxiliary Elect Mrs. Riley

Mrs. Mary Riley was elected president of the American Legion Auxiliary Unit 20, at the regular meeting March 22, with the nomination committee representing the slate of officers for the coming year. It was voted to accept the slate as presented.

Other officers were 1st Vice Pres., Mildred Larick; 2nd Vice Pres., Mildred Coleman; Treasurer, Ruth Pentz; Secretary, Fane Rashley; Historian, Happy Ogil; Chaplain Vivian Arnette; Sgt.-at-Arms, Helen Johnson and Louise Kinklighter. The executive committee for the year will be Sylvia Jones, Edith Kirkman and Lurline Brooks. These officers will be installed here after the department convention is held.

A secret ballot was held by all members present to select the most outstanding member of the Unit for the year. The final count showed that Mabel Tedder received this honor and was awarded the Service Medal by the President, Lurline Brooks.

Refreshments were served by the hostesses of the evening, Colleen Motes and Mabel Tedder.

### BOY SCOUTS COURT OF HONOR APRIL 15th

The Glades District Court of Honor will be held at the Belle

### Glade Elementary School Gym At 8 pm Thursday, April 15th

Scouts and Scouters from Canal Point to Clevelton will assemble for the presentation of merit badges and rank awards.

### CHAMBER MEMBERSHIP DRIVE STILL GOING

The new building will be completed within time for the planned dedication on May 6th according to Junius Harris, Chairman.

Mr. Harris expressed thanks to architect Arthur Price, builder Bob Davis and N. B. Willis for keeping the cost of the building around \$5300.

Edwina Young, Executive Secretary reports that the goal of \$5500 for the Chamber lacks \$878, but that the total membership of 155 includes 45 new members and 45 who have renewed membership fees to \$25 each.

### Mrs. Hale Speaks At WC Luncheon

Mrs. John Hale, Ft. Pierce, director of 10th district of Federation of Women's Club, was the guest speaker at the covered dish luncheon and meeting honoring new members held Wednesday afternoon at the First Baptist Recreation Hall.

Mrs. Hale gave a highly interesting talk on "What does your Club offer?" namely social advantages, chance to develop leadership, to take active part in civic work, and educational.

Refreshments were served by Mrs. Thames and Mrs. Grace Smith.

(Continued on Page Four)

### Rail Movement 102 Cars Ahead of '53

Rolls	0 0 0 2	
Corn	89 281 138 324	
Scarcie	1 18 17 543	
Lettuce	0 0 0 1	
Flx. Veggies	16 151 150 1544	
Peppers	0 6 1 7	
Potatoes	0 4 0 35	
Radishes	0 0 0 51	
Tomatoes	0 0 2 5	
Spinach	0 0 0 3	
Squash	0 0 0 1	
TOTALS	153 1287 485 5552	

### NOTICE

All boys that are playing baseball with the Belle Glade Ramblers, please report to F. L. Harris Service Station Sunday afternoon at 12:30 for a trip to Stuart for a practice game with the Stuart Sailfishers ball team.

Sam Crisman, Mgr.

### Fair Attendance Booming; Broken Attendance Record Expected Fri and Saturday

#### HEY JANE! LISTEN!

Word has been received here that Mr. John Brown Evans of Bean City, Fla. visited Orlando recently and had duck at the Duck Inn.

The note also says Orlando is "Florida's Largest Inland City," and that Mr. Gary's Duck Inn furnishes Jumbo Shrimp deluxe.

#### JOE CHERRY ELECTED GRAND SENTINEL

Joe Cherry was elected Grand Sentinel of the Grand Chapter of Florida, Order of Eastern Star, Wednesday afternoon at the OES convention held at the Municipal Auditorium in Tampa.

Mr. Cherry is the worthy patron of the local OES, Chapter 197. Mrs. Cherry, who is also attending the forty day convention marking the chapter's 50th anniversary, is worthy matron of the local order.

#### Miss Rodriguez Heads BPW Club

Miss Banna Rodriguez was unanimously elected president of the Bingham and Professional Women's Club at the 50th meeting held Tuesday evening at the home of Mrs. W. E. Thames.

#### Mrs. Humphries Elected PTA Pres.

Mrs. E. D. Humphries was elected president of the Parent Teacher's Association for the coming year at their regular meeting Thursday afternoon in the High School auditorium.

Mrs. Ralph Freeman chairman of the nominating committee, presented the slate of officers. Other officers elected were first vice president, Mrs. Frank Dooley; second vice president, Mrs. Ercel Mixson; recording sec., Mrs. Walter Thames; treasurer, Mrs. Sam Knight; historian, Mrs. C. W. McClure; parliamentarian, Mrs. Lewis R. Murray; delegate at large, Mrs. Douglas Matthews.

(Continued on Page 3)

#### Beauty Reigns Over Everglades Fair

Harvest Queen, Mrs. Delores Abbott, flanked by attendants Miss Emily Henderson (right) and Miss Jane Webster (left), who are wearing the miniature crown and scepter usually called the "Harvest Queen's" scepter.

Presiding over the Everglades Fair Festivities this week is lovely Mrs. Delores Abbott, 22, crowned "Glades Harvest Queen" out of 18 beauties, at coronation ceremonies held at the Belle Glade High School.

Auditorium before a capacity crowd Saturday night. Well-poised, graceful and charming, the blond, blue-eyed queen wore an orchid taffeta ballgown with fitted bodice and wide hoop skirt.

#### 5500 Kids Invited To Special Treats Saturday Afternoon

Chairman Emmett Roberts and Leo Lane have delivered more than 5500 cards to school and pre-school kids from Moore Haven around the Lake to Canal Point inviting them to take advantage of special treats — three rides for a quarter — Saturday afternoon, and free rides on the merry-go-round to the first 500 persons entering the gate Saturday.

With a deluxe edition of the "Queen" contest, an unusual display of motorized farming equipment, an appealing congregation of educational displays, both school and general, together with the most modern of household electrical gadgetry, and enticing automobiles ever seen, the hydroslide Everglades Fair has shown to thousands and is still going strong.

Two outstanding contributions to the present day progress of the Glades, C. and Southern Florida Flood Control and the Everglades Experiment Station have exhibits that entice the student to hours of consideration.

Ramie, under Dr. R. V. Allison's direction, has a major portion of the Station's display and the full range of ramie fiber usage is shown.

Glades folks will be interested in the pictures of the 12-foot intake and discharge arrangements of the six 350,000-gallon-per-minute pumps now being installed at Twenty-mile bend, as well as other interesting items of flood control works now being installed in the Over-all Plan.

The Experiment Station has exhibits of numerous crops — First Prize of \$25 was awarded Glades Machine Corporation — on their outstanding display of various sprockets and sheaves of removable lube type; a display of power takeoff and power takeoff joints; all types of bearings, clutches, set collars and sheaves; display by motor of chains, sprockets, belts, pulleys and gears, universal joints, couplings and clutches.

Attracting the attention of grown ups as well as youngsters was the miniature crane conveyor and miniature electric conveying belt used in fruit

**NEWS VIEWS**

By E. D. and DOUG

E. D. DOUG

President Eisenhower has signed a bill to create a new Advisory Committee on Weather Control. This should make it possible for the opposition to blame the administration for any weather that doesn't please all of the people all of the time. That covers more territory than a map-maker's fingerprints.

The Committee was created because of the new business of seeding clouds to develop rain or snow. It seems that a lot of fellows who go to seed don't quite reap what they sow. As a result, rain that was supposed to wind up in McGee's "south forty" actually showers down on Smith's barbecue party fifty miles away. So now if you want rain, just wire Washington; if you want sun, do the same. If you're undecided, just sit tight. The weather will probably be just as confused as you are.

A fellow says that you can get so much pleasure out of a car that everybody ought to learn to drive... including a lot of folks who are already driving. Whatever your pleasure is.

You'll find many items you need and use every day on sale at our annual **REX-ALL ONE CENT SALE** where the lowly penny is recognized. Be sure to come in today and tomorrow and take advantage of this big two-for-one saving.

be given each child. Announcement was made of the exhibit of Mrs. Margaret Earwood's elementary school students, to be held at the high school, 7 to 9 pm, April 22.

One of the most interesting programs of the year was the fashion show staged by the Home Ec girls under the direction of Mrs. Hazel Litchfield. About 48 girls participated, modeling clothing they had made including pajamas, sportswear, school dresses, church and party dresses and dresses. Mrs. E. D. Humphries acted as commentator and as each model appeared, told the material kind of pattern, etc.

Mrs. E. A. McCabe was hostess chairman assisted by Mrs. J. H. Chamberler, Mrs. Ralph Kirk, Mrs. George Hudspeth, Mrs. Clarence Throop, Mrs. Dick LeFils, Mrs. Ted Roman, Mrs. Joe Ziemann, Mrs. J. Y. Dell and Mrs. John Tabit.

**OPEN HOUSE FOR THE H. V. DRAA, JR.**  
Mr. and Mrs. H. V. Draa will hold open house from 8 'til 10 pm Friday, April 16, at their home 101 N. W. Ave. E., complimenting their son and daughter-in-law, Mr. and Mrs. H. V. Draa, Jr.

The couple whose wedding took place in North Carolina in January are now residing in Gainesville, where H. V. is a student at the University of Florida. Mrs. Draa is the former Joyce Brown of South Bay. All friends are cordially invited to call.

**ENGLE HOME SCENE OF ANNIVERSARY PARTY**

Mr. and Mrs. Edwin Kodish entertained Saturday night at the home of Mr. and Mrs. Abe Engle, complimenting his par-

ents, Mr. and Mrs. Mike Kodish of West Palm Beach on their 29th wedding anniversary. Guests were Mr. and Mrs. Jack Rabin, Mr. and Mrs. Robert Fine, and Sam Center all of West Palm Beach. Also Mr.

and Mrs. Harold Rabin, Mr. and Mrs. Glen Harvey, Mr. and Mrs. Richard Harvey, Mr. and Mrs. Howell Fish, Mr. and Mrs. Herbert Welser, Mr. and Mrs. Abe Engle and Mr. and Mrs. Bill Wall.

### DELINQUENTS OF LOCAL BOARD 148

The following named registrants are delinquent with Local Board No. 148, Belle Glade, Florida: Walter James McFadden; Willie Kitchens; Booker T. Washington; Willie Walker; Robert L. Henly; Eddie B. Waters; Ernest Reese; Horace White; Wesley Moore; Alex Murdock; Samuel Lee Wade; Willie Jackson and Willie Henderson. These registrants are to get in touch with the Local Board immediately. The Local Board immediate of any of the above named are requested to notify the Local Board without delay.

### GUARD UNIT MIDWAY IN RECRUITING DRIVE

On March 30 the local guard unit had a "Coke" party in the High School Activity Room with the purpose of acquainting young men in the Junior and Senior Classes with the functions and advantages of the Guard and invite them to join us. A display of light weapons was shown and material which explained the history and tradition of the Guard to the full extent. Much interest was shown on the part of the men and it is the general belief that some of these citizens will join our ranks.

Since then we have had five new men come into the Unit. They are Jimmy Binkley, Leon Warren, George Goforth, Robert Guard and Clyde Lumpkin.

The Unit's Supply Room is still open to the general public for inspection during the Fair and we would like for all the citizens who attend the Fair to come in and look around.

Sunday, April 11, will begin the series of weekend field trips for the Guard which will be held locally until May 8 and 9, when we will embark for West Palm Beach to qualify with individual weapons.

We would also like to thank the local merchants and establishments who sponsored our unit in last week's Herald. Remember, **HELP YOURSELF BY HELPING THE GUARD.**

### LITTLE MISS BELLE GLADE, CONTEST WED.

Contestants for the "Little Miss Belle Glade" contest are to rehearse Sunday afternoon at 3 p.m. at the High School Auditorium.

April 14 at 7:30 p.m. is the date set for the contest which is sponsored by the FFA girls unit and the direction of Mrs. Hazel Litchfield. All pre-school children are invited to participate, mother and child entry fee \$1. Adults 75c, children 35c. Contestants are to wear short dressy dress and no fashions.

### LEGAL NOTICES

**LEGAL NOTICE** IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT IN AND FOR THE COUNTY OF PALM BEACH COUNTY, IN CHANCERY. WILLIAM LEAVINS, Plaintiff, vs. LUDWIG M. LEAVINS, Defendant.

### Need Help? Glow Club Work-Day April 15

Do you need your windows washed? Does the lawn need mowing or the dog need wash, well, if they do, then you will be especially interested in this article.

Next Thursday, April 15th, the Belle Glade High School Glow Club is planning a work-day to raise money for their trip to Tampa, April 22nd, 23rd and 24th. The members say they will wash cars, windows, dogs and clothes, mow the lawn, paint walls and fences, baby set, pull weeds, hoe, rake for a minimum of 50 cents an hour working from 8:30 until the work is completed.

According to Miss Najarian, director, the club is doing this to defray expenses when they go to Tampa to compete in the All State Glow Club Contest. Only the clubs that make a superior rating in District Contest will participate in the State Contest.

The members are looking forward to this trip and are willing to try to turn their work. Any one who has a job for the students to do call 2849 or 2942. They will be glad to hear from some of these citizens will join our ranks.

### SOUTH BAY, LAKE HARBOR AREA LEADS COUNTY IN RED CROSS QUOTA DRIVE

Mrs. A. B. Barnes, Chairman for the Lake Harbor, Bean City, South Bay area has been complimented by the Executive Committee of the County Chapter on reaching 271% of its quota in the Red Cross Drive.

"The work of Mrs. Barnes, Mrs. W. C. Allen and their committee," says S. M. Livengood, Executive Secretary, "most certainly heartens the Drive Committee in its work."

Such work as this is outstanding and is the highest percentage of quota of any area in the county.

Mrs. Barnes announced the following list of workers: Lake Harbor, John Hemphill \$79; Rita, Roy Taylor \$23.25; South Bay, Mr. Eckman, \$3.33; South Shore, James Jackson, \$45.55; Bean City, Mrs. Bonnie Smith, \$15.48; South Bay, Will Brooks, colored, Mrs. H. C. Willis, Mrs. B. W. Barnes, Mrs. Leroy Cartwright.

### MRS. HALE SPEAKS (Continued from Page One)

serve on committee, and as officers of the club.

New members honored were Mrs. U. W. Malcolm, Mrs. Dalton Harrison, Mrs. Robert Allen, Mrs. Tom Carle and Mrs. Victor Mulberg.

Corasges were presented to Mrs. Hale, Mrs. Louis Friend, past president of County Federation of Women's Clubs, Mrs. Don Hillier, pres. of Pahokee Club, Mrs. E. O. Neff, pres. of the Typographical Union here and has maintained his membership since that time, in most every state east of the Mississippi.

Mr. and Mrs. Newt live in the Herald Building and are the only occupants of the apartment since its construction. He goes up and down the steps at least four times daily and can do anything in the shop, and usually does. As Dean in the shop, he gets the boys out of a jam when necessary, and is invaluable with his advice.

Mr. Newton will be on the Herald's payroll as long as he lives - and may be seen a hundred - work or not, as long as THE HERALD is able to pay him.

His presence and conversation is an inspiration to aspire to reach his philosophy of life and abundant living.

Clarence Aspey slid down the surrounding hills of Meadowsville, Grace and modestly just like Clarence - applied for a job at the local paper as "devil" in 1901. With his floppy hat hiding the top of his pants he told the Man, "Yes sir, I can do anything," and he's been doing it ever since.

As an apprentice he joined the Typographical Union as soon as he could and has maintained his affiliation since that time.

He had to buy a house and get a job as Foreman before Clarence could get a printer's and his wanderings as a printer carried them to Oklahoma and finally to Kraemer Island.

As a farmer Clarence still was a good printer, but he has accumulated a farm on the north tip of Kraemer Island, classed with Ed Creech's RITTA in fertility and frost-free protection as "the warmest agricultural land in continental United States."

Clarence has been in a hurry since that slide down the Meadowsville hills and when he drops you may be sure it will be forward.

Mr. Newton has been with the Herald since its birth and Clarence has been around since a few weeks after that event.

## For Weed-Free Drainage Ditches, Canals, Lakes, Ponds use AQUA-SAN

a chemical that kills underwater growth  
quick, easily, effectively  
Kills quickly, 48 to 72 hours

- Effects last for months
- No toxicity to farm lands
- No more forking of dead weeds
- Easier, cheaper and more effective than dragline or chaining

**The tire sensation  
in 1953!  
Now Goodyear  
announces still  
greater  
improvements!**

**New 1954 All-Nylon Cord  
Super-Cushion**

Costs only a few dollars more than a standard tire

No other tire at or near its price can match it!

1. Hits test curb at 55 mph! Not a cord broken! This is just one of the punishing tests this All-Nylon Cord Super-Cushion has taken! In fact, impact shock is almost unheard of with Full-Nylon Cord Super-Cushions.

2. Up to 12% more mileage! This mileage boost comes right on the heels of a 21% increase in 1953. Total... almost 1/3 more safe mileage than most motorists ever experienced before! That's a real saving in your driving costs.

3. Quicker ride! 15% greater traction! That equal on turns has been practically eliminated by a new anti-vibration tread design. And this new tread has 1806 inches of non-skid edges, 880 deep-silica slots for 15% greater skid resistance.

There's a big difference in Nylon cord! Only Goodyear has Triple-Tempered 3-T Nylon!

Nylon is the best tire cord - if the stretch can be controlled. To control the stretch in Nylon cord, Goodyear has developed an exclusive process of chemically treating the cord and then putting it through a triple tempering process involving Tension, Temperature and Time. The result - Goodyear's Triple-Tempered 3-T Nylon Cord - the Nylon cord that is fully controlled at its point of maximum strength and resiliency.

Get your All-Nylon Cord Super-Cushions now - see us for a liberal trade-in deal!

**MIND YOUR PQ**

(Continued from Page One) which you have whatever control your determination leads you to make of it."

"Enthusiasm, cheerfulness and friendliness are the main ingredients of PQ and are met with in the same degree with which you practice and display them — they're infectious and with no known preventative or cure."

Dr. Goodwin told of a large department store in Jersey City

which trained its sales force to greet every customer pleasantly and with a smile, but noticed in checking that most of them seemed to be forced or unnatural. The manager hired an actor to teach the salespeople just how to exude enthusiasm and friendliness and execute a real honest smile. A comparison of dollar sales following the actor's instruction proved that the wholesome smile and greeting paid off substantially, some seven or eight percent.

For more than fifty minutes the Doctor held his audience interested and amused, and his sincerity complimented by the more than ninety in attendance.

**FIRST AND PRESENT**

Continued from page 5  
We called in help from the ladies in Canal Point, Pahokee, South Bay, and Belle Glade and undertook what to us was a stupendous job.

Mrs. Adrain Daane appeared on the scene in the fall of 1930 and was a real help as she had taken a year of Library Science in the University of Minnesota, just before she and Dr. Daane came to the State Experiment Station near Belle Glade. We struggled along giving two or three hours a week to the ever increasing number of books, as well as the new.

Several amusing incidents happened while we were working in the city hall. One day we found a five gallon jug of moonshine in the center of our library room. The city jail was the adjoining corner room of the city hall and one day a prisoner kept begging us to let him out. His constant plea was "Please ladies let me out of here."

At one time Mrs. Daane said, "When I attended library college they lectured us about the 'settling' for a library such as paintings on the wall, beautiful statuary and so forth, but they never taught me how to mend and renew old books." But to her credit she wholeheartedly assisted in every way possible. She was the main one in estimating from the time she came until she moved to Gainesville in 1937.

I deserted the cause in July, 1932 and went back to Wisconsin for a year.

During the winter of 1932 and 33 the Belle Glade Woman's Club and Belle Glade Garden Club joined forces and headed the project of building the present club house in Belle Glade Municipal Park.

When I returned in the fall of 1933, I found all the books moved from the city hall and nicely shelved in the unfinished club house.

Many new members were added to the Woman's Club by that time, among them, Mrs. Thomas Bregger and Mrs. James A. Ball, Jr., both library minded and of great help. They led groups in repairing books and often took turns keeping the library open, to our then increased number of borrowers.

One time when Mrs. Daane and I were at the city hall, she remarked while going home, "Just think, we loaned out two books other than what we have taken home."

When the circulation arrived at 56 books in 2 hours one Saturday evening, the Woman's Club agreed to let me open Wednesday evenings as well as Saturday afternoon and evening.

In 1935 the Woman's Club decided I was entitled to some remuneration. Because of limited funds in the treasury and other obligations, the sum was set at \$4.00. Although small, it was all they could budget for me, and the thought back of it was worth more to me than the amount.

It was in 1940 the Woman's Club went to the city for financial help for the library. We were all quite determined that this library was to be free for all, especially to the ones who were not financially able to have any reading in their homes, and many older ones as well as the children were hungry for some good books to read.

The city kindly allowed us \$10.00 per month at first and increased it from time to time until they are allowing the library \$50.00 per month for books and periodicals.

When we received our first check from the city, Mrs. Daane headed a motion that I was to have my monthly salary increased to \$8.00 per month. The balance of the checks was used for new books and library supplies.

Mrs. Daane got such a thrill when she catalogued the first new book.

In 1942 the W.P.A. wanted to establish a full time library in Belle Glade. We didn't need their books but they did pay a librarians salary. I felt heir to that position.

When the W.P.A. discontinued throughout the United States of America, the Woman's Club went to the city commissioners offering them the books and other library properties if they would assume the financial responsibility of operating the Public Library. We had about 3,000 books.

The Woman's Club could now cease their book showers, book club membership, work committees, and so many other things they did as a group to help the library grow. They turned to other civic projects such as the present kindergarten.

When the city assumed this responsibility it requested a library committee. Mrs. Ball

selected as secretary and treasury as well as assisting in the choice of books.

The library has had many compliments on its choice of books. One lady came to Belle Glade to work in an office. She was a constant library visitor and one day she remarked, "Why I find more good books here than I like to read than I could find in the Boston City Library." I thought hurrah for

the wise selection of good books and thanks to the Janesville Wisconsin Library's monthly list of new books with personal comments by my daughter who was one of the Janesville staff. Similar remarks are made frequently. Another constant reader, a niece of Mrs. Pike told me one day, "I have read so many good books from this library but 'Foundation Stone' by Warren is the best book I

ever read."  
Mr. H. T. Pierce, an old settler here, was a gold miner at one time in Alaska and one of a group that was disappointed of their claims. Rex Beach told about it in, "The Spoilers".  
Mr. Le Gett told me his father were a black shirt in Carolina when Rutherford B. Hayes was a candidate for president of the United States. Sims told about that in "Beyond Surrender".

Library work was in interesting and I loved it. We soon had more books than we had room. We began discarding our duplicates and worn ones, giving them to the colored labor camp. Later they were given to the colored schools.  
After nearly 19 years of library work I resigned Aug. 1st, 1948. But I was able to see my 1928 vision of a library for Belle

Glade well established and on the up-grade. A library that started as an Everglades Children Library has grown to be more adult than children. Our children, our future readers, are badly in need of a room and some one to guide them in their reading.  
Mrs. Bettie W. Harris was my assistant for seven months before my resignation and is carrying on very efficiently.

# The National Guard Has Protected Our Homes Since 1636

"The welfare of our country is the great object to which our cares and efforts ought to be directed."  
George Washington  
January 8, 1790

## 100 MEN WANTED TO GUARD OUR LIVES ...AND HOMES!

**Young men, you are urgently needed to help protect our national security!**

It has been the peculiar blessing of America to have had a succession of great leaders whose first devotion was to all the people.

Without exception, they have taught us that the security of our country begins in the home.

And, of course, it is a basic truth. The strength of America is simply the strength of one secure home touching that of another.

Our first duty to America is our duty to our own homes. We can do honor to George Washington and all our other great leaders in no better way than to make our homes secure.

The Guard protects lives and property in local disaster... It provides trained units to join our regular forces in time of national emergency. The security of our nation demands a full-manned National Guard.

The need is so great that men who volunteer to serve their country by enlisting in the National Guard between the ages of 17-18½ will be deferred from active military duty so long as they continue to serve satisfactorily — unless, of course, their Guard unit is called in time of national emergency.

You'll have the satisfaction of serving your country and community as a citizen-soldier. And you can enlist in the unit of your choice. What's more, you'll benefit from the many advantages and opportunities open to you as a member of your hometown National Guard unit.

**TOP TRAINING** started near home while still in school or business. Useful military skills learned from experienced veterans.

**EXTRA INCOME** from the time spent in training. Qualify for valuable retirement pay.

**SPORTS AND RECREATION FACILITIES** are available in National Guard installations to Guardsmen, their families and friends.

**EDUCATION OPPORTUNITIES** qualify you for better paying civilian jobs. Attend regular Army schools with pay or take correspondence courses.

**ADVANCEMENT AND PROMOTION** as high as your interest, ability, and experience will take you. You may qualify for an officer's commission or an appointment to West Point.

**LEADERSHIP TRAINING** prepares you to give orders and direct others. Develop those qualities that make you a better man and a leader in your community.

**Visit Your Local Guard Unit during the Fair**

### A NEW GOSPEL OF THE SOIL

Saint Mary's Catholic Church, in the open country west of Toledo, Ohio, has a Credit Union of 754 members which helps settle young families in the parish. The Rural Church Department since it was organized isment at Drew Seminary, Mad-

over a million dollars. This Twenty-one couples have been helped to buy farms in that community. Young people have been able to borrow money to go to college or to build a house. There are now 300 families in this open country parish.

son, New Jersey, has included the story of this and 15 other rural churches in a new bulletin, entitled, "A New Gospel of the Soil." The bulletin is being sent out on request.

Coastal Equipment — a large and outstanding array of Case Tractors, farm cultivators, Dodge pick up trucks and trailers which attracted considerable attention.

The new Super Buick was on demonstration by the Buick Co., showing the 182 V-8 horsepower which gives the 1954 Buick a finer performance than ever before.

Holman Mercury Lincoln Co., West Palm Beach showed the new 1954 Sun Valley model.

Pure Oil Co., featured Frigidaire, Pure Batteries and Pure Tires. "Be Sure with Pure."

Concrete Products Industry of South Bay had on display modern concrete grease traps, feed trough, watering trough, septic tank and clothes posts.

A door way featuring concrete blocks ornamental steel and concrete steps, also glass jalousies were shown by Shirley Bros. of Pahokee.

The Home Hardware Store had a display featuring Gliddens Spread Satin, demonstrating quick drying ability and durability, also Koroseal water hose and carpenter tools.

The new Hallcraft TV set, Powertronic chassis, all channel built-in UHF/VHF tuner and antenna, was displayed by Richmond Plumbing, as well as 2-PRIZES — FAIR

Mathis-Boe displayed the glamorous colorama all porcelain Frigidaire, Stoves and Sinks. Frigidaire with shelf service in a pastel green; Paff sewing machine, completely automatic without attachments; Frigidaire dehumidifier.

Dumont TV, First with the finest... was shown by Lake Shore Radio, and in addition all G.E. electric Appliances including G.E. Air Conditioner.

The Freshmaster Food Freezer upright model new, two temperature arrangement refrigeration on top-freezer on bottom, was demonstrated with several models.

Florida Power and Light display featured electric equipment from Roadman Furniture Co. Mathis-Boe, Barney's Appliances, Richmond Plumbing, Lake Shore Radio.

Southeastern Bottled Gas Co. featured all gas kitchen complete with the new caloric automatic gas dryer in a very neat arrangement.

Aluminum Tilt A Door, garage door was shown by Glades Appliance in addition to Glass jalousies, folding doors, awnings and builders supplies.

Floyd Rider featured attractive display of welding equipment — electric arc welders of pair of ranch and farm equipment. He also gave demonstrations of welding.

A highly interesting and instructive display was shown by the 135th mapping and charting US Air Force Squadron of aerial pictures of Belle Glade from 5,000 ft. The pictures tell the complete story from take-off to plotting photographic coverage and laying final mosaic. Also the best in camera type used in building and equipment.

The 15th Air Crash Boat Flight featured a shallow water diving suit for depth 100 ft. used in repairing ships, also six man raft automatically inflated, and radios for receiving and transmitting.

EVERGLADES FAIR. (Continued from page one) packing houses.

Second Prize of \$15 was presented to Sinclair-Goodyear display, by Kirchman and Harris, on their showing of Goodyear Nylon Cord Tire, featuring Power X Gas Extra duty motor oil and batteries. The small fry were also entertained by movies.

Third Prize of \$10 was awarded to Markham's Appliance colorful and sparkling display of various kinds of honey. This display has won the Nathan Mayo Trophy and the First prize at the Tampa State Fair for several years.

Honorable Mention was awarded to Flowers By Creech for the lovely arrangement of cut flowers, potted plants and varieties of African Violets.

Wedgworth, Inc. was staged with a neat display of samples used in making of chemical materials used in fertilizers, etc. United States Sugar Corporation, Clewiston, displayed samples of black sugar, black strap molasses and other sugar cane products.

Twenty-one varieties of vegetables were displayed in keel cases 40 ft. long. The vegetables were furnished by Harold Rabbin, Co., Pioneer Growers, Duda and Sons and Kirchman Bros. Farms.

A most unique and eye catching display was the modernistic tree with cans and frozen packages of vegetables tied to the branches, which was shown by Florida Foods, Inc.

The large mouth black bass, shell cracker and bream in tanks of aerated water displayed by the Game and Fresh Water Commission attracted the attention of many, as well as the Florida animals which included 2 raccoons, black bear, white tail deer, wild turkeys and bobcat. Also pictures showing youth fishing tournament, rough fish eradication and hynichin control.

The Grace Chindilla Ranch of Lake Worth displayed several cages of registered chinchillas for \$1500 a pair. One pair will produce approximately 30 pairs in 10 years at a cost of only six dollars annually for feeding.

Belle Glade Motors showed a fine display including the new Ford Ranch Wagon, Ford Crestline, 1/2 ton pick up truck, 2 ton Ford truck, and other farm equipment including Ford Diesel and Ford Tractors.

### POLIO TESTS COMMENCE IN LOCAL SCHOOLS SOON

As a part of a national program, sometime soon second and third grade pupils in Palm Beach County will participate in a trial of polio vaccine, under the direction of Dr. Brumback, Director of the County Public Health Department and in cooperation with local doctors, nurses and volunteers.

Second graders will receive the vaccine upon written request of parents and those in the first and third grades will act as controls if parents give consent.

It is the largest test program of its kind in medical history, and the vaccine is the result of research under the National Foundation.

Dr. Jonas E. Salk of the University of Pittsburgh has given the trial to thousands of children and adults, including his own three sons, and reports no untoward reactions.

Local doctors assisted by nurses will administer the trial vaccine to pupils in the second grade whose parents sign a request form. Each child will receive one cc of the trial vaccine (a pinkish watery solution) in the arm. One week later a second one — or "shot" — will be given and at least four weeks later a third or booster dose — also one cc — will complete the series.

Preliminary results of the test will not be known until some time in 1955. The record of the second grade school children will be compared with the polio incidence among children in the first and third grades of the same schools. The study will be under direction of Dr. Thomas Francis, Jr., of the University of Michigan, leading authority on epidemics.

"We of Palm Beach County are privileged to take an important part in this history-making undertaking," Dr. Brumback said. "It thus proves that a vaccine will prevent paralytic polio, and we and our children can take pride in the fact that we have had this opportunity to demonstrate its usefulness."

numbers as: Olvadot's — "Pacific Grandeur"; Dvorak's — "Finale, New Worlds Symphony"; Saint — "Sampson and Delilah"; Schubert's — "Impromptu"; Bigelow's — "Our Director"; Farrar's — "Bombasto";

Sousa's — "Liberty Bell"; Sousa's — "El Capitán"; Sousa's — "King Cotton". The students went wild over a special rendition prepared for them, Moffitt's "Bib Time Boogie". The band was dressed in black and white. We are all awaiting the uniforms that have already been ordered by the Band Parents Organization, and they are expected long before the school term ends.

The student council of the school will present the band in concert on Sunday, April 11, to attend.

## Make your own "proving ground" test

Chevrolet is out ahead in powerful performance

Chevrolet is out ahead in economy

Your test car's ready now... We'll be glad to have you compare the smooth, quiet performance of this new Chevrolet with any other car in its field. Come in and put it through any kind of "proving ground" test you care to, and judge its performance for yourself. Your test car's ready now and we hope you are, too.

## THIS IS A GOOD YEAR FOR AN Electric Home Food Freezer!

Florida's a wonderful place! There's more fun per square foot here than anywhere else on earth...if you have time to enjoy it. That's where Sunshine Service comes in! With Raddy Kilowatt to do the chores, you'll have that extra leisure to enjoy even happier Florida living.

And this year is a good year to add time-saving, labor-saving electric servants — new, improved models... new low terms. See your dealer, now!

Electric Freezer: Freeze your food bill, and shopping time... enjoy real-season delicacies... pure delicious meals of a moment's notice with a modern electric HOME FOOD FREEZER.

Electric Range: Cooking's even more fun when prime frozen meats, garden fresh fruits and vegetables... and even frozen meals are at your elbow in the home food freezer. This convenience, plus automatic controls, helps you breeze through meal preparations.

Electric Dishwasher: Meal clean-up is a drudge! Not with a modern automatic electric dishwasher! For a completely carefree, work-free life, nothing can beat an electric home food freezer, an electric range, and an automatic electric dishwasher!

TIP TO FOOD SERVICE ESTABLISHMENTS... Make The Most of Your Valuable Kitchen Space — Cook Electrically! Clean, cool, electric counter cooking equipment can be installed in limited space... speeds cooking and service — means more meals at peak hours.

Streamlined design and perfect results here customer appeal, too — means higher unit sales. And economical operation produces greater profits for you. So plan now to install electric counter cooking equipment — and enjoy the difference!

You'll be amazed at how little it costs to operate additional electric appliances in a typical Florida home... just pennies a day!

Here's why! As you "step-up" your use of electricity, you "step-down" the average rate you pay. Operating even major appliances adds only a few pennies a day to your electric bill... your biggest bargain in better living!

FLORIDA POWER & LIGHT COMPANY

**SOUTH BAY BEAN CITY LAKE HARBOR**

**RED CROSS MEMBERSHIP FAR EXCEEDS QUOTA**

Mrs. A. B. Barnes, chairman of the local Red Cross membership drive, reports a total to date of \$543.31 for the South Bay, Bean City, Lake Harbor area. Since the quota for this area was \$200 the workers far exceeded their quota and have been congratulated by County Chairman C. H. Cochran for their accomplishment. Some few contributions are still expected.

Mrs. Barnes and Mrs. Effie Allen were in charge of the drive and particularly in the business area of South Bay. Other members of the committee who contributed to the great success of the drive were Mrs. Jay Smith at Bean City, Mrs. Verda Higginbotham at Okechobee, Mrs. J. L. Eckman at South Bay Plantation, Mrs. Taylor at Bitta Plantation, Mrs. H. C. Willis and Mrs. Donald Barnes in South Bay.

**PLAYGROUND FACILITIES BEING INSTALLED AT SOUTH BAY CITY PARK**

The James B. Jeffries Memorial Park is being equipped with playground facilities, through the enterprise of local parents of young children who interested Mrs. Arthur Smadbeck, president of The Heckescher Foundation for Children, in the project.

The Heckescher Foundation was founded in 1921 by August Heckescher, a German emigrant, who had made a huge fortune and was so interested in children that he left his estate to be dedicated to the children of the nation. Besides equipping public playground the foundation donates to equipment for hospitals, gives scholarships and in many other ways contributes to the welfare of children. Some 19 cities in Florida have received similar gifts through this foundation in the last two years, among which are Clewiston, Canal Point, Okechobee and Punta Gorda.

At the request of civic minded parents, Mrs. Smadbeck made a personal survey of South Bay children's needs and sent several thousand dollars worth of equipment for the park and also for the Rosewald School. The equipment arrived last week and is being installed. It becomes a part of the public park system and by resolution of the city council will be installed and maintained out of public city funds.

C. W. McDonald, park supervisor of Belle Glade, has graciously assisted in the placing of the equipment in order that the various age groups of children may use the facilities without hindering each other in their play. The plan is to secure a paid play supervisor for the afternoons. Mothers who use the park for pre-school children in the forenoons are expected to supervise or arrange for supervision of their children while at play in the park.

Playground equipment donated by the foundation consists of a stationery grill for charcoal, wood or coal; a picnic table to accommodate 12 persons with benches attached; 2 shuffleboard tables; 8 park benches; 1 parallel bar unit, 10' long; 1 triple bar unit; 1 senior castle walk; 1 ocean wave; 1 double chaise longue; 2 straight chaise longue; 1 senior castle tower to slide; 50 children; 1 merry-go-round to accommodate 25 children; 1 four board saw; 1 saw unit; 3 eight-swing sets to accommodate children of different age groups; 1 six swing set for nursery children; 4 park swings; and one bicycle rack for 22 bicycles. All stationary equipment is to be set in concrete permanent fixtures.

The park is a joint project of the county and city, the county having provided a part of the site, local individuals a part and the remainder purchased by the city several years ago at a special price from Mrs. Lillian Jeffries, who stipulated that the site be used for public purposes only. It is not only for use of local citizens but also for the traveling public — a roadside park where travelers may rest and enjoy a few hours of relaxation. It is named in honor of James B. Jeffries, who devoted many years of his life to the reclamation of the Everglades.

The park site has been graded, grassed and landscaped by the city park department with the assistance of the Garden Club. Trees, ornamentals and shrubbery have been donated by Garden Club members and other interested citizens. It is located on U. S. Highway No. 27 one block south of the South Bay School.

The northeast corner of the park has been set aside as a soft-ball court which has been laid out and equipped by the Little League, American Legion and individual donations of citizens.

barbecue facilities on condition that they clean up and leave everything in good condition before they leave the park.

**WELDING COURSE TO START APRIL 16**

There will be an organizational meeting held April 14, at the Ag Shop, in the rear of old elementary school building preceding the art welding course which will start April 16.

The welding course which is sponsored by the Palm Beach County Board of Public Instruction will be under the instruction of Kenneth Johnson and Amos Rivell of West Palm Beach and Floyd Rider.

The course will continue for 4½ weeks and a small charge of \$8 will be made to cover cost of books, etc.

Those interested in the course are invited to attend the meeting on April 14.

Amelia Earhart made the first solo flight from Honolulu to California.

## Federal Excise Taxes on Telephone Service REDUCED

Tax on Long Distance	Tax on Local Service
REDUCED from 25% to 10%	REDUCED from 15% to 10%

These are substantial reductions and we know you'll be glad to have them. The full benefit of the tax cuts, voted by Congress, comes to you. Not a penny goes to Southern Bell.

This means your telephone bill is being reduced by the entire difference between the old and the new taxes.

Instead of paying a 25% federal excise tax on Long Distance calls (15% on calls under 25 cents), you now pay 10%. On local telephone service, your tax is now 10% instead of 15%.

The tax reductions apply to all telephone service billed to you on or after April 1.

With the new, lower tax rates, your telephone is now an even greater value. It brings you a world of convenience at less cost than before—just pennies a day for the average family.

This reduction does not apply to municipal excise taxes where levied.

The attendance prize for the month was awarded to the third grade taught by Mrs. Nancy Books.

Principal Pellon Morris announced that the South Bay School exhibit at the Everglades Fair had won the gold cup.

Hector Ouellette, scoutmaster, introduced Boy Scout District Commissioner Henry Spelman, who gave a talk on scouting and its importance and stated that plans were to organize a cub scout troop here next fall. A announcement was made of leaders training session to be held at the Belle Glade Baptist Church Thursday night and of a basic weekly training course to start at the Scout Hut for scout masters, beginning April 22.

Miss Banna Rodriguez, public health nurse, was present and presented a polio film and talk on the plan for conducting a nation wide survey on a polio vaccine which had been developed in a fifteen year research. The survey is to be made on second grade school children to determine the length of time they will remain immune to this dread disease. Palm Beach County is one of the three counties in Florida which will be included in the survey and parents of second grade children are required to give written permission for their child to be immunized. 200 counties in the United States will be thus tested.

The first and third grade children will also be blood tested to discover the number of antibodies which have been developed to protect the child against this disease. The polio film to be later shown to the school children was also shown by Mrs. Editha Graham with Miss Rodriguez acting as narrator. The 143 medical doctors Palm Beach County have endorsed this program.

The treasurer reported approximately \$165 in the treasury.

Mrs. Alton Goodbread, Mrs. Pellon Morris and Mrs. W. W. Ferguson were hostesses and

Join The Thrill of The Month Club! Come in and drive Buick's great new performer—the CENTURY. It's a wonderfully thrilling experience!

The new 200-horsepower Buick Century—sleek, smart, spirited—and available in gorgeous new summer colors.

## We have a line the gals go for

(Have you seen our Spring Fashion Show?)

You can't fool the ladies when it comes to styling. From clothes and hemlines, to cars and color schemes—they insist on a fresh new look and a fresh new change—and anything else won't do.

So it's easy to see why the gals—bless 'em!—have been going for Buick in a green way—going for the glamorous femininity of these new-day automobiles ever since the first public showing a few short months ago.

From the beginning, they've been going for the sleeker, longer, lower lines—the futuristic shaping of the new windshields—the stunning décor of the striking new fabrics—the clean simplicity of the new instrument panels.

But you ought to see how they go for the gay new car models in Buick's Spring Fashion Show! Fresh new Convertibles, Rivieras and Estate Wagons never before available—and in gorgeous new summer colors never shown before!

And you ought to see how they go—as the men certainly do—for the thrilling new V8 power, the buoyant new ride, the superb new control, and the almost effortless handling ease that are all part and parcel of every new 1954 Buick.

Why not visit our Spring Fashion Show and see for yourself the fresh new tomorrow that's here now—in today's Buick? Then we can show you the prices that make this beauty the buy of the year.

## BUICK

the beautiful buy

THE COMPLETE LINE-UP OF BUICK REVEALED FOR 1954 includes showing new all-steel Estate Wagons and Hardtop Rivieras, as well as new new Convertibles, in both the new V8 Series, Buick's new V8 Series, Buick's new V8 Series.
